

## Proceedings of ISBB 2019

Proceedings of ISBB 2019 will be published in Solid State Sciences Special Issue: All the presenters at ISBB are recommended to submit their papers to Solid State Sciences Special Issue. Their papers must be presented at ISBB either by oral or poster.

### 1. Submission

- First submission date: 1 October 2019
- Submission deadline: 31 December 2019:

### 2. Online Submission

All papers should be submitted via the online submission system (EVISE®). The submission portal will be opened on October 1<sup>st</sup>.

<https://www.evise.com/profile/api/navigate/SSSCIE>

When submitting their papers, authors must select “**VSI: Boron&related materials**” as the article type. Otherwise, the paper will be treated as a regular issue.

Here is the guideline for authors:

<https://www.elsevier.com/journals/solid-state-sciences/1293-2558/guide-for-authors>

### 3. Acceptance deadline: 31 March 2020

All manuscripts are peer reviewed and final decisions will be made by this date.

### 4. Publication

Accepted papers are published online as regular issues as they are ready, not after all papers are ready for publication. The papers appear with a header indicating that they are published as part of the special issue. The publisher provides 50-days free share links of all the papers to the authors. Everybody, regardless of attendees or not, can read the papers.

### 5. Distribution of Proceedings

The complete volume of the special issue is issued after all papers are in order. This is distributed only by USB sticks. All the participants of ISBB 2019 are eligible to receive one copy of the volume by the organizer of ISBB, no matter whether they submitted or not. Extra sticks, if needed, can be purchased from Elsevier (\$70.40 per copy).
